

Thank You

for installing our product...

FOR THE
INSTALLER

Affinity
THE REWARDING LOYALTY EXPERIENCE

We've made things easy for you.

Boiler and warranty registration *plus*
access to specific installer benefits!

See inside...

Become a member of Affinity

If you are a gas installer registered with either Gas Safe Register (UK) or RGII (Republic of Ireland) then you really should become a member of Vokèra Affinity.

Specifically designed for **YOU** the professional installer, membership provides **FREE ACCESS** to a range of benefits that are designed to help make your working life easier.

EXISTING MEMBER?

If you're already a member, Affinity just got better!

Now, with just one simple online or app registration you can register your product installation with Vokèra, receive **FREE Gas Safe Notification** (UK), **validate the boiler warranty** and we'll process your **Affinity rewards claim automatically** too!

The benefits of Affinity

Installers

FREE Gas Safe Notification

We'll register your boiler installation with Gas Safe Register, **FOR FREE!**

Installers

RGII Declaration of Conformance Certification

Boiler installation registration with RGII must be carried out in the usual way. Vouchers are available as a reward item within Affinity, which can be used towards the cost of RGII forms for certification – saving you money!

Boiler Registration

Register within 30 days to validate the product warranty.

Affinity Support & Rewards

Vokèra Affinity also offers you a wide range of additional benefits including

- **FREE** and discounted training, providing access to practical tips and essential advice
- Priority technical support
- Promotions and rewards tailored to your business and the products you install
- Access to literature and other useful information
- Priority alerts, news and event invitations
- Exclusive offers on van livery and branded work-wear
- Access to Affinity Pro – unlock an enhanced level of support with access to finance, and Green Deal under Vokèra's specialist partner's PAS2030 umbrella*

Whether or not you're an existing Affinity member, download the VokèraApp for the simplest way to register your installation, access Affinity and to make claims.
